RE: Requested Extension for Construction Permit 969580G for Speedway #7159

To Whom It May Concern,

It has come to our attention that the Construction Permit is about to expire for Speedway #7159 located at the intersection of Deep Spring Rd. & Whitlock Rd. in Dandridge, TN 37725. We would like to request for an extension of this Construction Permit as the planned opening date for this site is currently February 15th, 2016 which is after the expiration date of January 26th, 2016. If you would allow for an extension Speedway would be most grateful.

Thank you for your attention in this matter. Should you have any questions, concerns and/or need any additional documentation, please do not hesitate to contact me at (937) 863-6513 or emswaisgood@speedway.com

Sincerely,
